# Introduction

Peshawar Model Educational Institutions (PMEIs) were established in 1979. Peshawar Model Degree College (Boys) Peshawar was established in 1997, followed by PMDC (Girls) Peshawar in 2002, PMDC (Boys & Girls) in separate campuses at Mardan in 2011, PMDC (Boys) Hayatabad in 2014, and PMDC (Girls) Hayatabad in 2019. All these institutions have a mission to impart quality education to students at affordable cost. The PMEIs comprise twenty four separate schools and six degree colleges with a total student population of over 35,000.

In recognition of valuable services being rendered by PMEIs in the field of education, it was granted the Charter to establish City University of Science & Information Technology in 2001 by the Government of Khyber Pakhtunkhwa. The City University, by the Grace of Almighty Allah, successfully held its 13th convocation recently. The honorable chief secretary, Khyber Pakhtunkhwa very kindly graced the occasion.

Peshawar Model Degree Colleges are providing enabling environments to the students for overall personality grooming to achieve excellence and enter into practical life as alumni. ## SUPERVISED STUDIES

Coaching classes and supervised studies are arranged in PMDC hostel free of cost to provide PMDC students an opportunity to outshine their counterparts in KPK. These coaching classes have become very productive in the lives of the students. The approach in these classes is students centered to acquire conceptual grasp of complex subjects and get high marks in the exam. In today's world a student's standard is analyzed on the basis of his score-card. PMDC teaching staff teach the hostel students throughout the session in the afternoon. They focus on their weak areas so that they have no difficulty in answering any question that comes in the board exams.

## AFTER DINNER LITERARY ACTIVITIES (ADLA)

Co-curricular and extra-curricular activities are very important for students, as they help them sharpen their creativity and develop diverse healthy interests among them. Keeping in view the importance of extra-curricular activities, PMDC administration organizes After Dinner Literary Activities (ADLA) for Hostel students regularly. In ADLA, students take part in activities such as:

- ▶ Declamation
- ▶ Debates
- ▶ Essay Writing
- ▶ Qirat & Na'at
- ▶ Poetry
- ▶ Spell Be Competition
- ▶ Quiz Competition
- ▶ Variety Programmes and National songs competition

ADLA provides the students a much needed but useful respite from studies. It not only helps the student emotion to develop homestatus, but also enhances their preparatory skills. Students who take part in ADLA generally do better in exams for CSS and armed forces selection board and have well-rounded and all-encompassing personalities.
